The Canadian Condominium Institute is the Voice of Condominium. This organization is the only national association dealing exclusively with condominium issues affecting all participants in the condominium community. The goal of CCI is to form partnerships with its members to create, encourage and promote a strong condominium community in the vibrant Canadian marketplace.

CCI's role is to educate those involved in the condominium community, to offer referrals to professional assistance to members, to improve legislation affecting condominiums in every province, and to develop standards and best practices for condominium directors and professionals. CCI assists its members in establishing and operating successful condominium corporations through education, information dissemination, workshops and technical assistance.
