Launch of CV+ Podcasts

February 12, 2015

On behalf of the Toronto & Area Chapter of the Canadian Condominium Institute, I am pleased to announce the launch of **CV+**.

Starting with the Spring 2015 edition of our award winning, quarterly publication, audio articles will be circulated to complement each issue of Condo Voice.

CV+ podcasts will present you with the opportunity to be a fly on the wall and listen to extended versions of interviews, gain exclusive access to insights from condominium experts and otherwise go beyond the pages to hear our Condo Voice.

A total of 3 **CV+** podcasts will complement the Spring 2015 edition of our magazine, each approximately 15 minutes in length. They will be available in iTunes, SoundCloud and also posted for easy access and listening on our website.

Tune into CCI Toronto's social media presence for access to **CV+** podcasts as they are released and keep a look out for references to podcast extensions of select articles as you read the next issue of Condo Voice.

Thank you for supporting our non-profit organization.

Yours truly,

Marc Bhalla, Editor
